Subject: FW: RE-schedule of DOGGR/EPA meeting in SF

All,

During discussions with Mike Montgomery and David Albright yesterday, we concluded that three pieces of work were needing completion before we could meet productively.

The deliverables are:

1. Plan by DOC and EPA legal staffs on plan forward for the 11 aquifers in the 1985 Covington letter.
2. DOGGR plan for UIC review and aquifer exemption plan forward (will be ready for review and comment COB Tuesday, 11/18))
3. Comments by Water Board on aquifer exemption application submitted to EPA

To allow time for these to be completed, we have rescheduled the meeting for **Monday November 24th at 10 AM in San Francisco.**

Hi Steve –

I conferred with folks and the 24th works for us to re-schedule our Monday meeting. It would be ideal if we could still have it in SF and start in the am (10am works) as originally planned.
Thanks

Mike
